MEMORANDUM FOR: DD/P

SUBJECT : Termination of Project OBTEST

1. Project OBTEST is due to expire on 30 June 1960. This Project is herewith submitted for termination, following the stipulations of CSHB 230-60-2, paragraph 9 as follows:

(1) Project OBTEST

(2) Original Project Objectives: Through the agency of a clandestine "national Socialist" radio program to (a) loosen the ties between Albania and the USSR; (b) to encourage the modification of the harsher and more unenlightened policies of the Albanian regime; (c) to foster disruptive tendencies with the hope of weakening the present Albanian Communist regime.

(3) Reasons for termination: The termination of Project OBTEST is the result of the reduction of broadcast facilities at Athens Station and the lowered priority of Albania as a target for Covert Action operations.

(4) Effectiveness of the Project: OBTEST/1 was specifically denounced in March 1959 by the Secretary of the Albanian Communist Party in a major speech before the Albanian parliament. We have furthermore two reports from Albanian-American legal travellers and one refugee interrogation report, all of which noted that a program bearing the same title as OBTEST/1 was causing consternation to the Albanian Communist regime.

(5) Proposed Date of Operational Termination: OBTEST/1 broadcasts were terminated on 20 November 1959. The Project is to be continued through 30 June 1960 to cover funding obligations incident to the termination and re-location of agents carried under Project OBTEST.

(6) Estimated Date of Final Liquidation of Commitments:  
30 June 1960

(7) Plans for Disposition of Funds, Material and Personnel:  
The writer-announcer, AIPLEBE ☐ was terminated effective 1 December 1959 and was paid a \$500 termination bonus. Career Agent ☐ will be transferred to Project DMNEON, a new project which is presently being prepared on the Field's recommendation. Properties and material used under the Project will be turned over to ☐ for disposal.

(8) Status of Commitments to-be Settled: The termination bonus to AIPLEBE has been paid. There are no other commitments to this agent. Commitments to ☐ ☐ will be transferred from OBTEST to Project DMNEON.

(9) Risks: None

(10) Estimated Costs of Termination: Approximately \$800 including AIPLEBE's termination bonus, disposal of materials and costs of quitting rented safehouses before the expiration of their respective leases.

(11) Request for Extra Funds: No additional funds are needed. The Project OBTEST funds are considered sufficient to meet all foreseeable obligations.

(12) Statement that Central Cover Division has been Alerted: Not applicable.

2. OBTEST Project actions for Fiscal Year 1959 and Fiscal Year 1960, plus ☐ ~~☐ 201 file are attached for your information.~~
